

Session #4:

Launching and Operating Medicaid Focused Midwifery-Led Models of Care

The Institute for Medicaid Innovation, in partnership with the Center for Health Care Strategies, developed a [virtual learning series](#) that provided a roadmap to explore implementation of midwifery-led models of care in Medicaid. The [eight-part series](#) focused on CNM/CMs and freestanding birth centers.

Session #4: Learning Objectives

1. Identify best practices, lessons learned, challenges, and opportunities from leaders in innovative midwifery-led models of care.
2. Identify the requirements for creating and operating a licensed, fully accredited, Medicaid contracted freestanding birth center.
3. Identify the similarities and differences, pros and cons between traditional freestanding birth centers and FQHC-based freestanding birth centers.
4. Identify how innovative midwifery-led models of care are addressing disparities in their community and supporting birth equity.

Session #4 Panel:

Moderator:

Jennifer E. Moore, PhD, RN, FAAN, Institute for Medicaid Innovation

Panelists:

Amy Romano, MBA, MSN, CNM, Primary Maternity Care
